

November 9, 2009

Dear Coaches, Players, Parents and Other Cy-Fair Lacrosse Fall Classic Participants:

You may be aware that the Federation of International Lacrosse (FIL) holds the World Lacrosse Championships every four years in a different part of the world. The 2010 Championship games will be held in Manchester, England in July, where 31 nations are expected to compete. The US Men's National Team will be attempting to reclaim the Gold, which they held since 1978 until losing to Team Canada in 2006. The final roster of 23 players was just announced last week, selected from the 40-man training team comprised of the best U.S. players from the collegiate and professional ranks.

Cy-Fair Lacrosse is pleased to be partnering with US Lacrosse and the Men's US National Team at this year's 10th Annual Cy-Fair Lacrosse Fall Classic. We will be supporting their effort to bring the Gold back to the USA next summer. They too are a non-profit organization that depends on donations and sponsorships for their funding. Therefore, we see our 10th annual gathering of teams as a special opportunity to combine our support for the young men who have dedicated themselves to become the best at this great game, and who will now be representing our country as they take on teams from around the globe.

At the tournament raffle tent, we will be setting up containers where you can place donations. Once the tournament is completed, we will send a check for the entire amount collected to the US Men's National Team on behalf of all the attendees at the tournament. We hope that you will to give generously, but any support will be appreciated.

To further add to the excitement, we will be raffling off an official Team USA Brine Triumph XP helmet autographed by the 40 member U.S. training team consisting of the top players in the country (e.g., Ryan Boyle, Matt Danowski, Kyle Harrison, Kevin and Mike Leveille, Nicky Polanco, Ryan Powell, Paul Rabil, Matt Striebel, Joe Walters, etc.). As always, we will have many other exciting raffle items.

Thanks for your support, and we look forward to welcoming you to our tournament! GO TEAM USA!

Kindest regards,

Cy-Fair Lacrosse Fall Classic Tournament Committee
